

Trinity Capital Inc. Provides \$20 Million in Growth Capital to b.well Connected Health

Jul 30, 2025

PHOENIX, July 30, 2025 /PRNewswire/ -- [Trinity Capital Inc.](#) (Nasdaq: TRIN) (the "Company"), a leading alternative asset manager, today announced the commitment of \$20 million in growth capital to b.well Connected Health ("b.well").

b.well offers a FHIR-based digital health platform for healthcare organizations, providing true interoperability and personalization at scale. b.well unifies data, solutions, and services in one place - empowering providers, payers, retail pharmacies, life sciences and pharma, and healthcare technology companies to deliver frictionless, personalized healthcare experiences. The AI capabilities within the platform allow the company to predict potential health risks, identify gaps in care, and provide proactive health recommendations.

"b.well is making healthcare accessible and simple for everyone - from medical professionals to everyday consumers," said Phil Gager, Senior Managing Director, Tech Lending at Trinity Capital. "We are pleased to support this team as they work to redefine the way individuals engage with and understand their health."

This growth capital will allow b.well to scale operations and accelerate growth across key markets.

"From the beginning, Trinity Capital has believed strongly in our mission to simplify healthcare for everyone," said Kristen Valdes, founder and CEO of b.well Connected Health. "We are incredibly excited to partner with Trinity Capital for b.well's next phase of growth as we scale our solutions to engage more healthcare consumers and drive greater outcomes for the industry at large."
