Item 1.01 – Entry into a Material Definitive Agreement

On July 22, 2022, Trinity Capital Inc. (the “Company”) entered into an underwriting agreement (the “Underwriting Agreement”) by and between the Company and Keefe, Bruyette & Woods, Inc. and UBS Securities LLC as representatives of the several underwriters named in Schedule 1 thereto, in connection with the issuance and sale of \$50,000,000 aggregate principal amount of the Company’s 7.00% Notes due 2025 (the “Notes” and the issuance and sale of the Notes, the “Offering”). The Company also granted to the underwriters an option to purchase from the Company up to an additional \$7,500,000 aggregate principal amount of the Notes solely to cover over-allotments in accordance with the Underwriting Agreement.

The Notes were issued on July 19, 2022 as additional notes under the Base Indenture, dated January 16, 2020 (the “Base Indenture”), between the Company and U.S. Bank National Association, as trustee (together with its successor in interest, U.S. Bank Trust Company, National Association, the “Trustee”), as supplemented by the First Supplemental Indenture, dated January 16, 2020 (the “First Supplemental Indenture”; and together with the Base Indenture, the “Indenture”), pursuant to which the Company issued \$125,000,000 aggregate principal amount of the 7.00% Notes due 2025 (the “Existing Notes”) on January 16, 2020. The Notes are treated as a single series with the Existing Notes under the Indenture and have the same terms as the Existing Notes (other than issue date and issue price). The Notes have the same CUSIP number and are fungible and rank equally with the Existing Notes. The outstanding aggregate principal amount of the Company’s 7.00% Notes due 2025 is \$175,000,000 (or \$182,500,000 if the underwriters’ over-allotment option in the Offering is exercised in full).

The Notes bear interest at a rate of 7.00% per year payable quarterly in arrears on March 15, June 15, September 15 and December 15 of each year. The Notes will mature on January 16, 2025 and may be redeemed in whole or in part at any time, or from time to time, at the Company’s option on or after January 16, 2023, at a redemption price equal to 100% of the outstanding principal amount thereof, plus accrued and unpaid interest to, but excluding, the date of redemption.

The Notes and the Existing Notes are expected to be listed on the Nasdaq Global Select Market (“Nasdaq”) and to trade on Nasdaq within 30 days of the issue date under the trading symbol “TRINL.”

The Company expects to use the net proceeds from the Offering to pay down its existing indebtedness outstanding under a credit agreement (the “Credit Agreement”) with KeyBank, National Association (“KeyBank”), in an amount expected to be equal to approximately \$48.0 million. The Company intends to use the remaining net proceeds from this offering to make investments in accordance with its investment objective and investment strategy and for general corporate purposes. The Credit Agreement has a maturity date of October 27, 2026 and grants the Company, through its wholly owned subsidiary TrinCap Funding, LLC (“TCF”), a borrowing capacity of up to \$400 million, with committed availability of up to \$300 million. Borrowings under the Credit Agreement bear interest at a rate equal to Adjusted Term Secured Overnight Financing Rate (“SOFR”) plus, currently, 2.85%, subject to the number of eligible loans in the collateral pool. As of July 14, 2022, approximately \$232.0 million was outstanding under the Credit Agreement. The Company may re-borrow under the Credit Agreement to make investments in accordance with its investment objective and investment strategy and for general corporate purposes.

The Notes are the direct, unsecured obligations of the Company and rank pari passu, or equal, in right of payment with all of the Company’s other future and outstanding unsecured, unsubordinated indebtedness. The Notes rank effectively subordinated, or junior, to any of our future secured indebtedness or other obligations (including unsecured indebtedness that the Company later secures) to the extent of the value of the assets securing such indebtedness. The Notes rank structurally subordinated, or junior, to all existing and future indebtedness and other obligations (including trade payables) incurred by the Company’s subsidiaries, financing vehicles or similar facilities.

The Indenture contains certain covenants including covenants requiring the Company to comply with Section 18(a)(1)(A) as modified by Section 61(a) of the Investment Company Act of 1940, as amended, or any successor provisions, but giving effect, in either case, to any exemptive relief granted to the Company by the Securities and Exchange Commission, and to provide financial information to the holders of the Notes and the Trustee if the Company should no longer be subject to the reporting requirements under the Securities Exchange Act of 1934. These covenants are subject to important limitations and exceptions that are described in the Indenture.

The Notes were offered and sold in an offering registered under the Securities Act of 1933, as amended, pursuant to the Registration Statement on Form N-2 (File No. 333- 261782), the prospectus supplement dated July 19, 2022 and the pricing term sheet filed with the SEC on July 20, 2022. The transaction closed on July 22, 2022. The net proceeds to the Company were approximately \$48.0 million, based on the public offering price of 99.52% of the aggregate principal amount of the Notes, after deducting the underwriting discount of \$1.5 million and the estimated offering expenses of approximately \$0.3 million payable by the Company, subject to the agreement by the underwriters to reimburse us for certain expenses incurred in connection with this offering.

The foregoing descriptions of the Underwriting Agreement, the Base Indenture, the First Supplemental Indenture, and the Notes do not purport to be complete and are qualified in their entirety by reference to the full text of the Underwriting Agreement, the Base Indenture, the First Supplemental Indenture, and the form of global note representing the Notes, respectively, each filed or incorporated by reference as exhibits hereto and incorporated by reference herein.

Item 2.02 -- Results of Operations and Financial Condition

In a prospectus supplement dated July 19, 2022, the Company disclosed certain preliminary estimates of its financial condition and results of operations for the three months ended June 30, 2022. The Company estimates:

During the quarter ended June 30, 2022, the Company originated approximately \$302.3 million of total new commitments, which was comprised of \$195.1 million in secured loans, \$106.0 million in equipment financings and \$1.2 million in equity investments.

As of June 30, 2022, the Company's unfunded commitments totaled approximately \$372.9 million. These unfunded commitments are subject to a bring-down due diligence review and investment committee approval prior to funding. In addition, certain of these unfunded commitments are subject to achieving certain milestones. The Company anticipates a significant portion of the commitments may fund over the next twelve months. Since a portion of these commitments may expire without being drawn, unfunded contractual commitments do not necessarily represent future cash requirements.

Investments funded in the quarter ended June 30, 2022 totaled approximately \$193.8 million, which was comprised of \$140.7 million in secured loans, \$50.7 million in equipment financings and \$2.4 million in warrant and equity investments.

Proceeds received from repayments of the Company's debt investments during the quarter ended June 30, 2022 totaled approximately \$44.4 million, which included \$16.8 million from early debt repayments.

Net portfolio growth from investment activity for the quarter ended June 30, 2022 was approximately \$149.2 million.

The level of the Company's investment activity can vary substantially from period to period depending on many factors. Such factors may include the amount of loans, equipment financings and equity capital required by growth stage companies, the general economic environment and market conditions, including as a result of the COVID-19 pandemic, current geopolitical conditions, and the competitive environment for the types of investments the Company makes.

For the three-month period ended June 30, 2022, the Company estimates that its unaudited total investment income will be between \$32.6 million and \$34.3 million and its unaudited net investment income will be between \$15.3 million and \$16.1 million, or between \$0.50 and \$0.52 per share. The unaudited estimate of the range of the net asset value per share of the Company's common stock as of June 30, 2022 is between \$14.60 and \$14.64.

There are material limitations with making available preliminary estimates of the Company's financial results for the quarter ended June 30, 2022. The preliminary financial estimates provided herein have been prepared by, and are the responsibility of, management. Neither Ernst & Young LLP, the Company's independent registered public accounting firm, nor any other independent accountants, have audited, reviewed, compiled, or performed any procedures with respect to the accompanying preliminary financial data.

These estimates are subject to the completion of the Company's financial closing procedures and are not a comprehensive statement of its financial results or valuations as of June 30, 2022 and have not been approved by the Board. The Company advises you that its actual results may differ materially from these estimates as a result of the completion of the period and its financial closing procedures, final adjustments, valuation process and other developments that may arise between now and the time that our financial results are finalized.

The Company hereby confirms its agreement with the several Underwriters concerning the purchase and sale of the Securities, as follows:

All references in this Agreement to amendments or supplements to the Registration Statement or the Prospectus, including those made pursuant to Rule 424 under the Securities Act or such other rule under the Securities Act as may be applicable to the Company, shall be deemed to mean and include, without limitation, the filing of any document under the Securities Exchange Act of 1934, as amended (the “Exchange Act”) which is or is deemed to be incorporated by reference in or otherwise deemed under the rules of the Commission promulgated thereunder or otherwise to be a part of or included in the Registration Statement or the Prospectus, as the case may be, as of any specified date.

The Company will file the final Prospectus with the Commission within the time periods specified by Rule 424 and Rule 430B under the Securities Act; will file any Issuer Free Writing Prospectus (including the Pricing Term Sheet referred to in Annex A hereto) to the extent required by Rule 433 and/or Rule 497 under the Securities Act; will file promptly all reports and any definitive proxy or information statements required to be filed by the Company with the Commission pursuant to Section 13(a), 13(c), 14 or 15(d) of the Exchange Act subsequent to the date of the Prospectus and for so long as the delivery of a prospectus is required in connection with the offering or sale of the Securities; and will furnish electronic copies of the Prospectus and each Issuer Free Writing Prospectus to the Underwriters in New York City prior to 5:00 P.M., New York City time, on the business day next succeeding the date of this Agreement, with written copies of the Prospectus to follow as soon as practicable but in no event later than 5:00 P.M., New York City time, on the second business day succeeding the date of this Agreement in such quantities as the Representatives may reasonably request. The Company has paid the registration fee for this offering pursuant to Rule 457 under the Securities Act.

(b) *Delivery of Copies*. The Company will deliver, without charge, (i) to the Representatives, electronic signed copies of the Registration Statement as originally filed and each amendment thereto, in each case including all exhibits and consents filed therewith; and (ii) to each Underwriter (A) a conformed copy of the Registration Statement as originally filed and each amendment thereto (without exhibits) and (B) during the Prospectus Delivery Period (as defined below), as many copies of the Prospectus as the Representatives may reasonably request. As used herein, the term "Prospectus Delivery Period" means such period of time after the first date of the public offering of the Securities as in the opinion of counsel for the Underwriters a prospectus relating to the Securities is required by law to be delivered in connection with sales of the Securities by any Underwriter or dealer.

(c) *Amendments or Supplements*. Before using, authorizing, approving, referring to, or filing any amendment or supplement to the Registration Statement or the Prospectus, the Company will furnish to the Representatives and counsel for the Underwriters a copy of the proposed amendment or supplement for review and will not use, authorize, approve, refer to, or file any such proposed amendment or supplement to which the Representative reasonably objects in a timely manner.

(d) *Notice to the Representatives.* The Company will advise the Representatives promptly, and confirm such advice in writing, (i) when any amendment to the Registration Statement has been filed or becomes effective; (ii) when any supplement to the Prospectus or any amendment to the Prospectus has been filed or distributed; (iii) of any request by the Commission for any amendment to the Registration Statement or any amendment or supplement to the Prospectus or the receipt of any comments from the Commission relating to the Registration Statement or any other request by the Commission for any additional information; (iv) of the issuance by the Commission of any order suspending the effectiveness of the Registration Statement or preventing or suspending the use of any Preliminary Prospectus, the Pricing Disclosure Package, or the Prospectus, or the initiation or threatening of any proceeding for that purpose or pursuant to Section 8A of the Securities Act; (v) of the occurrence of any event or development within the Prospectus Delivery Period as a result of which the Prospectus or the Pricing Disclosure Package, as then amended or supplemented, would include any untrue statement of a material fact or omit to state a material fact necessary in order to make the statements therein, in the light of the circumstances existing when the Prospectus or the Pricing Disclosure Package is delivered to a purchaser, not misleading; (vi) of the receipt by the Company of any notice of objection of the Commission to the use of the Registration Statement or any post-effective amendment thereto pursuant to Rule 401(g)(2) under the Securities Act; and (vii) of the receipt by the Company of any notice with respect to any suspension of the qualification of the Securities for offer and sale in any jurisdiction or the initiation or threatening of any proceeding for such purpose; and the Company will use commercially reasonable efforts to prevent the issuance of any such order suspending the effectiveness of the Registration Statement, preventing or suspending the use of any Preliminary Prospectus, any of the Pricing Disclosure Package or the Prospectus or suspending any such qualification of the Securities and, if any such order is issued, will use commercially reasonable efforts to obtain as soon as possible the withdrawal thereof.

(e) *Ongoing Compliance.* (1) If during the Prospectus Delivery Period (i) any event or development shall occur or condition shall exist as a result of which the Prospectus as then amended or supplemented would include any untrue statement of a material fact or omit to state any material fact necessary in order to make the statements therein, in the light of the circumstances existing when the Prospectus is delivered to a purchaser, not misleading or (ii) it is necessary to amend or supplement the Prospectus to comply with law, the Company will immediately notify the Underwriters thereof and forthwith prepare and, subject to paragraph (c) above, file with the Commission and furnish to the Underwriters and to such dealers as the Representatives may designate such amendments or supplements to the Prospectus as may be necessary so that the statements in the Prospectus as so amended or supplemented will not, in the light of the circumstances existing when the Prospectus is delivered to a purchaser, be misleading or so that the Prospectus will comply with law and (2) if at any time prior to the Closing Date (i) any event or development shall occur or condition shall exist as a result of which the Pricing Disclosure Package, as then amended or supplemented, would include any untrue statement of a material fact or omit to state any material fact necessary in order to make the statements therein, in the light of the circumstances existing when the Pricing Disclosure Package is delivered to a purchaser, not misleading or (ii) it is necessary to amend or supplement the Pricing Disclosure Package to comply with law, the Company will immediately notify the Underwriters thereof and forthwith prepare and, subject to paragraph (c) above, file with the Commission (to the extent required) and furnish to the Underwriters and to such dealers as the Representatives may designate such amendments or supplements to the Pricing Disclosure Package as may be necessary so that the statements in the Pricing Disclosure Package as so amended or supplemented will not, in the light of the circumstances existing when the Pricing Disclosure Package is delivered to a purchaser, be misleading or so that the Pricing Disclosure Package will comply with law.

(f) *Blue Sky Compliance.* The Company will use commercially reasonable efforts, in cooperation with the Representatives, to qualify the Securities for offer and sale under the securities or blue sky laws of such jurisdictions as the Representatives shall reasonably request and will continue such qualifications in effect so long as required for distribution of the Securities; provided that the Company shall not be required to (i) qualify as a foreign corporation or other entity or as a dealer in securities in any such jurisdiction where it would not otherwise be required to so qualify, (ii) file any general consent to service of process in any such jurisdiction or (iii) subject itself to taxation in any such jurisdiction if it is not otherwise so subject.

(g) *Earning Statement.* The Company will make generally available to its security holders and the Representatives as soon as practicable an earning statement that satisfies the provisions of Section 11(a) of the Securities Act and Rule 158 of the Commission promulgated thereunder covering a period of at least twelve months beginning with the first fiscal quarter of the Company occurring after the “effective date” (as defined in Rule 158) of the Registration Statement; *provided that* the Company will be deemed to have complied with such requirement by filing such an earning statement on the Commission’s Electronic Data Gathering, Analysis, and Retrieval system (or any successor system) (“EDGAR”).

(h) *Clear Market.* During a period of thirty (30) days from the date of the Prospectus, the Company will not offer, sell, contract to sell, pledge, grant any option to purchase, make any short sale or otherwise transfer or dispose of, directly or indirectly, or file with or confidentially submit to the Commission a registration statement under the Securities Act relating to any securities of the Company that are substantially similar to the Securities, or publicly disclose the intention to make any such offer, sale, pledge, disposition or filing, without the prior written consent of the Representatives.

(i) *Use of Proceeds.* The Company will apply the net proceeds from the sale of the Securities in all material respects as described in the Pricing Disclosure Package and the Prospectus under the heading “Use of Proceeds.”

(j) *DTC.* The Company will cooperate with the Representatives and use its commercially reasonable efforts to permit the offered Securities to be eligible for clearance and settlement through the facilities of DTC.

(k) *No Stabilization or Manipulation.* The Company will not take, directly or indirectly, without giving effect to any activities by the Underwriters, any action designed, or that would reasonably be expected, to cause or result in any stabilization or manipulation of the price of the Securities.

(l) *Reports.* For a period of one year from the date of this Agreement, so long as the Securities are outstanding, the Company will furnish to the Representatives, as soon as commercially reasonable after the date they are available, copies of all reports or other communications (financial or other) furnished to holders of the Securities, and copies of any reports and financial statements furnished to or filed with the Commission or any national securities exchange or automatic quotation system; provided the Company will be deemed to have furnished such reports and financial statements to the Representatives to the extent they are filed on EDGAR.

(m) *Business Development Company.* The Company, during a period of twelve months from the date of the Prospectus, will use commercially reasonable efforts to maintain its status as a business development company under the Investment Company Act; provided, however, that the Company may change the nature of its business so as to cease to be, or withdraw its election to be treated as, a business development company with the approval of its Board of Directors and a vote of stockholders as required by Section 58 of the Investment Company Act.

(n) *Regulated Investment Company.* During the twelve-month period following the Closing Date, the Company will use commercially reasonable efforts to conform with the applicable requirements to be treated as a regulated investment company under Subchapter M of the Code for each taxable year during which it is a business development company under the Investment Company Act.

(o) *Annual Compliance Reviews.* The Company will retain qualified accountants and qualified tax experts to (i) test procedures and conduct annual compliance reviews designed to determine compliance with the regulated investment company provisions of the Code and (ii) otherwise assist the Company in monitoring appropriate accounting systems and procedures designed to determine compliance with the regulated investment company provisions of the Code.

(p) *Accounting Controls.* The Company has established and will maintain a system of internal accounting controls sufficient to provide reasonable assurances that (A) transactions are executed in accordance with management's authorization; (B) transactions are recorded as necessary to permit preparation of financial statements in conformity with GAAP, and to maintain accountability for assets; (C) access to the Company's consolidated assets is permitted only in accordance with management's authorization; (D) the recorded accountability for assets is compared with the existing assets at reasonable intervals and appropriate action is taken with respect to any differences; (E) material information relating to the Company and the assets managed by the Company is promptly made known to the officers responsible for establishing and maintaining the system of internal accounting controls; and (F) any significant deficiencies or weaknesses in the design or operation of internal accounting controls that could adversely affect the Company's ability to record, process, summarize, and report financial data, and any fraud, whether or not material, that involves management or other employees who have a significant role in internal controls, are adequately and promptly disclosed to the Company's independent auditors and the audit committee of the Company's Board of Directors.

(q) *Issuer Free Writing Prospectus.* The Company represents and agrees that, without the prior consent of the Representatives (i) it will not distribute any offering material other than the Registration Statement, the Pricing Disclosure Package, the Prospectus or the information set forth on Schedule 2 hereto, and (ii) it has not made and will not make any offer relating to the Securities that would constitute a “free writing prospectus” as defined in Rule 405 under the Securities Act (other than for the information set forth on Schedule 2 hereto), and which the parties agree, for the purposes of this Agreement, includes (x) any “advertisement” as defined in Rule 482 under the Securities Act and (y) any sales literature, materials or information provided to investors by, or with the approval of, the Company in connection with the marketing of the offering of the Securities, including any in-person road show or investor presentations (including slides and scripts relating thereto) made to investors by or on behalf of the Company.

(r) *Nasdaq Listing.* The Company agrees to use commercially reasonable efforts to effect within 30 days of the Closing Date the listing of the Securities on the Nasdaq Global Select Market and to use commercially reasonable efforts to maintain such listing.

6. Certain Agreements of the Underwriters. Each Underwriter hereby represents, warrants and agrees that:

(a) Without the prior written consent of the Company, it has not used, authorized use of, referred to or participated in the planning for the use of, and will not use, authorize the use of, refer to or participate in the planning for the use of, any written information concerning the offering of the Securities other than materials contained in the Pricing Disclosure Package, the Prospectus, or any other offering materials prepared by or with the prior written consent of the Company.

(b) It is not subject to any pending proceeding under Section 8A of the Securities Act with respect to the offering contemplated by this Agreement (and will promptly notify the Company if any such proceeding against it is initiated during the Prospectus Delivery Period).

7. Conditions of Underwriters’ Obligations. The obligation of each Underwriter to purchase the Securities on the Closing Date or any Secondary Closing Date as provided herein is subject to the performance by the Company of its covenants and other obligations hereunder and to the following additional conditions:

(a) *Registration Compliance; No Stop Order.* No order suspending the effectiveness of the Registration Statement or any post-effective amendment thereto shall be in effect, and no proceeding for such purpose, pursuant to Rule 401(g)(2) or pursuant to Section 8A under the Securities Act shall be pending before or threatened by the Commission; the Prospectus and each Issuer Free Writing Prospectus shall have been timely filed with the Commission under the Securities Act (in the case of an Issuer Free Writing Prospectus, to the extent required by Rule 433 and/or Rule 497 under the Securities Act) and in accordance with Section 5(a) hereof; and all requests by the Commission for additional information shall have been complied with to the reasonable satisfaction of the Representatives.

(b) *Representations and Warranties.* The representations and warranties of the Company contained herein shall be true and correct on the date hereof and on and as of the Closing Date and any Secondary Closing Date; and the statements of the Company and its officers made in any certificates delivered pursuant to this Agreement shall be true and correct on and as of the Closing Date and any Secondary Closing Date.

(c) *No Material Adverse Change.* No event or condition of a type described in Section 3(h) hereof shall have occurred or shall exist, which event or condition is not described in the Pricing Disclosure Package (excluding any amendment or supplement thereto) and the Prospectus (excluding any amendment or supplement thereto) and the effect of which in the judgment of the Representatives makes it impracticable or inadvisable to proceed with the offering, sale, or delivery of the Securities on the Closing Date and any Secondary Closing Date, on the terms and in the manner contemplated by this Agreement, the Pricing Disclosure Package and the Prospectus.

(d) *Company's Officers' Certificate.* The Representatives shall have received on and as of the Closing Date and any Secondary Closing Date, as applicable, a certificate, which shall be delivered on behalf of the Company and not the signatories in their individual capacity, of the chief financial officer or chief accounting officer of the Company and one additional senior executive officer of the Company who is reasonably satisfactory to the Representatives (i) confirming that such officers have carefully reviewed the Registration Statement, the Pricing Disclosure Package and the Prospectus, (ii) confirming that, to the knowledge of such officers, the representations and warranties of the Company in this Agreement are true and correct and that the Company has complied with all agreements and satisfied all conditions on its part to be performed or satisfied hereunder at or prior to the Closing Date and any Secondary Closing Date, as applicable, and (iii) with respect to the Company and its Subsidiaries, to the effect set forth in paragraph (c) above.

(e) *Chief Financial Officer Certificate.* The Company shall have delivered to the Representatives a certificate, dated the date of this Agreement and the Closing Date and any Secondary Closing Date, as applicable, executed by the chief financial officer, as to certain financial and other matters in substantially the form and substance reasonably satisfactory to the Representative.

(f) *Comfort Letters.* On the date of this Agreement and on the Closing Date and any Secondary Closing Date, as applicable, Ernst & Young LLP shall have furnished to the Representatives, at the request of the Company, letters, dated the respective dates of delivery thereof and addressed to the Underwriters, in form and substance reasonably satisfactory to the Representatives, containing statements and information of the type customarily included in accountants' "comfort letters" to underwriters with respect to the financial statements and certain financial information included or incorporated by reference in the Registration Statement, the Pricing Disclosure Package and the Prospectus; provided, that the letter delivered on the Closing Date and any Secondary Closing Date, as applicable, shall use a "cut-off" date no more than three business days prior to the Closing Date and any Secondary Closing Date, as applicable.

(g) *Opinion and 10b-5 Statement of Counsel for the Company.* Eversheds Sutherland (US) LLP, counsel for the Company, shall have furnished to the Representatives, at the request of the Company, their written opinions and 10b-5 letter, dated the Closing Date and any Secondary Closing Date, as applicable, and addressed to the Underwriters, in form and substance reasonably satisfactory to the Representatives.

(h) *Opinion and 10b-5 Statement of Counsel for the Underwriters.* Ropes & Gray LLP, counsel for the Underwriters, shall have furnished to the Representatives, their written opinions and 10b-5 letter, dated the Closing Date and any Secondary Closing Date, as applicable, and addressed to the Underwriters, in form and substance reasonably satisfactory to the Representatives.

(i) *No Legal Impediment to Issuance.* No action shall have been taken and no statute, rule, regulation, or order shall have been enacted, adopted, or issued by any federal, state, or foreign governmental or regulatory authority that would, as of the Closing Date and any Secondary Closing Date, as applicable, prevent the issuance and sale of the Securities; and no injunction or order of any federal, state, or foreign court shall have been issued that would, as of the Closing Date and any Secondary Closing Date, as applicable, prevent the issuance and sale of the Securities.

(j) *Good Standing.* The Representatives shall have received on and as of the Closing Date and any Secondary Closing Date, as applicable, reasonably satisfactory evidence of the good standing of the Company and its Subsidiaries in their respective jurisdictions of organization and their good standing as foreign entities in such other jurisdictions as the Representatives may reasonably request, in each case in writing or any standard form of telecommunication from the appropriate governmental authorities of such jurisdictions.

(k) *Securities.* On or prior to the Closing Date and any Secondary Closing Date, as applicable, the Company and the Trustee shall have executed and delivered the Securities.

(l) *No Downgrade.* Subsequent to the earlier of (A) the Applicable Time and (B) the execution and delivery of this Agreement, if there are any debt securities or preferred stock of, or guaranteed, by, the Company that are rated by a “nationally recognized statistical rating organization,” as such term is defined in Section 3(a)(62) of the Exchange Act, (i) no downgrading shall have occurred in the rating accorded any such debt securities or preferred stock and (ii) no such organization shall have publicly announced that it has under surveillance or review, or has changed its outlook with respect to, its rating of any such debt securities or preferred stock (other than an announcement with positive implications of a possible upgrading).

(m) *Form 8-A.* The Company has filed a registration statement on Form 8-A relating to the Securities pursuant to Section 12(b) of the Exchange Act.

(n) *Additional Documents.* On or prior to the Closing Date and any Secondary Closing Date, as applicable, the Company shall have furnished to the Representatives such further certificates and documents as the Representatives may reasonably request.

All opinions, letters, certificates, and evidence mentioned above or elsewhere in this Agreement shall be deemed to be in compliance with the provisions hereof only if they are in form and substance reasonably satisfactory to counsel for the Underwriters.

8. Indemnification and Contribution.

(a) *Indemnification of the Underwriters.* The Company agrees to indemnify and hold harmless each Underwriter, its affiliates, directors and officers and each person, if any, who controls such Underwriter within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act, from and against any and all losses, claims, damages, and liabilities (including, without limitation, reasonable and documented legal fees and other reasonable and documented expenses incurred in connection with any suit, action, or proceeding or any claim asserted, as such fees and expenses are incurred), joint or several, that arise out of, or are based upon, (i) any untrue statement or alleged untrue statement of a material fact contained in the Registration Statement or caused by any omission or alleged omission to state therein a material fact required to be stated therein or necessary in order to make the statements therein not misleading, or (ii) any untrue statement or alleged untrue statement of a material fact contained in the Prospectus (or any amendment or supplement thereto), any Issuer Free Writing Prospectus, any road show as defined in Rule 433(h) under the Securities Act (a “road show”), or the Pricing Disclosure Package (including any Pricing Disclosure Package that has subsequently been amended), or caused by any omission or alleged omission to state therein a material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading, in each case except insofar as such losses, claims, damages, or liabilities arise out of, or are based upon, any untrue statement or omission or alleged untrue statement or omission made in reliance upon and in conformity with any information relating to any Underwriter furnished to the Company in writing by such Underwriter through the Representatives expressly for use therein, it being understood and agreed that the only such information furnished by any Underwriter consists of the information described as such in subsection (b) below.

(b) *Indemnification of the Company.* Each Underwriter agrees, severally and not jointly, to indemnify and hold harmless the Company, its directors, its officers who signed the Registration Statement and each person, if any, who controls the Company within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act to the same extent as the indemnity set forth in paragraph (a) above, but only with respect to any losses, claims, damages, or liabilities that arise out of, or are based upon, any untrue statement or omission or alleged untrue statement or omission made in reliance upon and in conformity with any information relating to such Underwriter furnished to the Company in writing by such Underwriter through the Representatives expressly for use in the Registration Statement, the Prospectus (or any amendment or supplement thereto), any Issuer Free Writing Prospectus, any road show, or any Pricing Disclosure Package (including any Pricing Disclosure Package that has subsequently been amended), it being understood and agreed upon that the only such information furnished by any Underwriter consists of the following information in the Prospectus furnished on behalf of each Underwriter: the marketing names of the Underwriters set forth on such cover page, and under the caption “Underwriting,” the legal names of the Underwriters, the concession amount appearing in the fifth paragraph and the information regarding stabilizing transactions contained in the eleventh, twelfth and thirteenth paragraphs.

(c) *Notice and Procedures.* If any suit, action, proceeding (including any governmental or regulatory investigation), claim or demand shall be brought or asserted against any person in respect of which indemnification may be sought pursuant to either paragraph (a) or (b) above, such person (the "Indemnified Person") shall promptly notify the person against whom such indemnification may be sought (the "Indemnifying Person") in writing; provided that the failure to notify the Indemnifying Person shall not relieve it from any liability that it may have under paragraph (a) or (b) above except to the extent that it has been materially prejudiced (including through the forfeiture of substantive rights or defenses) by such failure; and provided, further, that the failure to notify the Indemnifying Person shall not relieve it from any liability that it may have to an Indemnified Person otherwise than under paragraph (a) or (b) above. If any such proceeding shall be brought or asserted against an Indemnified Person and it shall have notified the Indemnifying Person thereof, the Indemnifying Person shall retain counsel reasonably satisfactory to the Indemnified Person (who shall not, without the consent of the Indemnified Person, be counsel to the Indemnifying Person) to represent the Indemnified Person in such proceeding and shall pay the reasonable and documented fees and expenses of such counsel related to such proceeding, as incurred. In any such proceeding, any Indemnified Person shall have the right to retain its own counsel, but the fees and expenses of such counsel shall be at the expense of such Indemnified Person, unless (i) the Indemnifying Person and the Indemnified Person shall have mutually agreed to the contrary; (ii) the Indemnifying Person has failed within a reasonable time to retain counsel reasonably satisfactory to the Indemnified Person; (iii) the Indemnified Person shall have reasonably concluded that there may be legal defenses available to it that are different from or in addition to those available to the Indemnifying Person; or (iv) the named parties in any such proceeding (including any impleaded parties) include both the Indemnifying Person and the Indemnified Person and representation of both parties by the same counsel would be inappropriate due to actual or potential differing interest between them. It is understood and agreed that the Indemnifying Person shall not, in connection with any proceeding or related proceedings in the same jurisdiction, be liable for the reasonable and documented fees and expenses of more than one separate firm (in addition to any local counsel) for all Indemnified Persons, and that all such reasonable and documented fees and expenses shall be paid or reimbursed as they are incurred. Any such separate firm for any Underwriter, its affiliates, directors and officers and any control persons of such Underwriter shall be designated in writing by the Representatives, and any such separate firm for the Company, its directors, its officers who signed the Registration Statement and any control persons of the Company shall be designated in writing by the Company. The Indemnifying Person shall not be liable for any settlement of any proceeding effected without its written consent, but if settled with such consent or if there be a final judgment for the plaintiff, the Indemnifying Person agrees to indemnify each Indemnified Person from and against any loss or liability by reason of such settlement or judgment. Notwithstanding the foregoing sentence, if at any time an Indemnified Person shall have requested that an Indemnifying Person reimburse the Indemnified Person for reasonable and documented fees and expenses of counsel as contemplated by this paragraph, the Indemnifying Person shall be liable for any settlement of any proceeding effected without its written consent if (i) such settlement is entered into more than 30 days after receipt by the Indemnifying Person of such request and, (ii) the Indemnifying Person shall not have reimbursed the Indemnified Person in accordance with such request prior to the date of such settlement. No Indemnifying Person shall, without the written consent of the Indemnified Person, effect any settlement of any pending or threatened proceeding in respect of which any Indemnified Person is or could have been a party and indemnification could have been sought hereunder by such Indemnified Person, unless such settlement (x) includes an unconditional release of such Indemnified Person, in form and substance reasonably satisfactory to such Indemnified Person, from all liability on claims that are the subject matter of such proceeding and (y) does not include any statement as to or any admission of fault, culpability or a failure to act by or on behalf of any Indemnified Person.

(d) *Contribution.* If the indemnification provided for in paragraphs (a) and (b) above is unavailable to an Indemnified Person or insufficient in respect of any losses, claims, damages, or liabilities referred to therein, then each Indemnifying Person under such paragraph, in lieu of indemnifying such Indemnified Person thereunder, shall contribute to the amount paid or payable by such Indemnified Person as a result of such losses, claims, damages, or liabilities (i) in such proportion as is appropriate to reflect the relative benefits received by the Company, on the one hand, and the Underwriters on the other, from the offering of the Securities or (ii) if the allocation provided by clause (i) is not permitted by applicable law, in such proportion as is appropriate to reflect not only the relative benefits referred to in clause (i) but also the relative fault of the Company, on the one hand, and the Underwriters on the other, in connection with the statements or omissions that resulted in such losses, claims, damages, or liabilities, as well as any other relevant equitable considerations. The relative benefits received by the Company, on the one hand, and the Underwriters, on the other, shall be deemed to be in the same respective proportions as the net proceeds (before deducting expenses) received by the Company from the sale of the Securities and the total underwriting discounts and commissions received by the Underwriters in connection therewith, in each case as set forth in the table on the cover of the Prospectus, bear to the aggregate offering price of the Securities. The relative fault of the Company, on the one hand, and the Underwriters, on the other, shall be determined by reference to, among other things, whether the untrue or alleged untrue statement of a material fact or the omission or alleged omission to state a material fact relates to information supplied by the Company or by the Underwriters and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such statement or omission. Notwithstanding any other provision in this Section 8, no party shall be entitled to indemnification or contribution under this Agreement in violation of Section 17(j) of the Investment Company Act.

(e) *Limitation on Liability.* The Company and the Underwriters agree that it would not be just and equitable if contribution pursuant to paragraph (d) above were determined by pro rata allocation (even if the Underwriters were treated as one entity for such purpose) or by any other method of allocation that does not take account of the equitable considerations referred to in paragraph (d) above. The amount paid or payable by an Indemnified Person as a result of the losses, claims, damages and liabilities referred to in paragraph (d) above shall be deemed to include, subject to the limitations set forth above, any reasonable and documented legal or other expenses incurred by such Indemnified Person in connection with any such action or claim. Notwithstanding the provisions of paragraphs (d) and (e) of this Section 8, in no event shall an Underwriter be required to contribute any amount in excess of the amount by which the total underwriting discounts and commissions received by such Underwriter with respect to the offering of the Securities exceeds the amount of any damages that such Underwriter has otherwise been required to pay by reason of such untrue or alleged untrue statement or omission or alleged omission. No person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) shall be entitled to contribution from any person who was not guilty of such fraudulent misrepresentation. The Underwriters' obligations to contribute pursuant to paragraphs (d) and (e) of this Section 8 are several in proportion to their respective purchase obligations hereunder and not joint.

(f) *Non-Exclusive Remedies.* The remedies provided for in this Section 8 paragraphs (a) through (e) are not exclusive and shall not limit any rights or remedies which may otherwise be available to any Indemnified Person at law or in equity.

9. Effectiveness of Agreement. This Agreement shall become effective upon the execution and delivery hereof by the parties hereto.

10. Termination. This Agreement may be terminated in the absolute discretion of the Representatives, by notice to the Company, if after the execution and delivery of this Agreement and prior to the Closing Date or any Secondary Closing Date (i) trading generally shall have been suspended or materially limited on or by either of the New York Stock Exchange or the Nasdaq Stock Market; (ii) trading of any securities issued or guaranteed by the Company shall have been suspended on any exchange or in any over-the-counter market; (iii) a general moratorium on commercial banking activities shall have been declared by U.S. federal or New York State authorities; or (iv) there shall have occurred any outbreak or escalation of hostilities or any change in financial markets or any calamity or crisis, either within or outside the United States, that, in the judgment of the Representatives, is material and adverse and makes it impracticable or inadvisable to proceed with the offering, sale or delivery of the Securities on the Closing Date or any Secondary Closing Date on the terms and in the manner contemplated by this Agreement, the Pricing Disclosure Package and the Prospectus.

11. Defaulting Underwriter.

(a) If, on the Closing Date or any Secondary Closing Date, any Underwriter defaults on its obligation to purchase the Securities that it has agreed to purchase hereunder on such date, the non-defaulting Underwriters may in their discretion arrange for the purchase of such Securities by other persons satisfactory to the Company on the terms contained in this Agreement. If, within 24 hours after any such default by any Underwriter, the non-defaulting Underwriters do not arrange for the purchase of such Securities, then the Company shall be entitled to a further period of 24 hours within which to procure other persons reasonably satisfactory to the non-defaulting Underwriters to purchase such Securities on such terms. If other persons become obligated or agree to purchase the Securities of a defaulting Underwriter, either the non-defaulting Underwriters or the Company may postpone the Closing Date or any Secondary Closing Date for up to five full business days in order to effect any changes that in the opinion of counsel for the Company or counsel for the Underwriters may be necessary in the Registration Statement and the Prospectus or in any other document or arrangement, and the Company agrees to promptly prepare any amendment or supplement to the Registration Statement and the Prospectus that effects any such changes. As used in this Agreement, the term "Underwriter" includes, for all purposes of this Agreement unless the context otherwise requires, any person not listed in Schedule 1 hereto that, pursuant to this Section 11, purchases Securities that a defaulting Underwriter agreed but failed to purchase.

(b) If, after giving effect to any arrangements for the purchase of the Securities of a defaulting Underwriter or Underwriters by the non-defaulting Underwriters and the Company as provided in paragraph (a) above, the aggregate principal amount of Securities that remain unpurchased on the Closing Date or any Secondary Closing Date does not exceed one-eleventh of the aggregate principal amount of Securities to be purchased on such date, then the Company shall have the right to require each non-defaulting Underwriter to purchase the principal amount of Securities that such Underwriter agreed to purchase hereunder on such date plus such Underwriter's pro rata share (based on the principal amount of Securities that such Underwriter agreed to purchase on such date) of the Securities of such defaulting Underwriter or Underwriters for which such arrangements have not been made.

(c) If, after giving effect to any arrangements for the purchase of the Securities of a defaulting Underwriter or Underwriters by the non-defaulting Underwriters and the Company as provided in paragraph (a) above, the aggregate principal amount of Securities that remain unpurchased on the Closing Date or any Secondary Closing Date exceeds one-eleventh of the aggregate principal amount of Securities to be purchased on such date, or if the Company shall not exercise the right described in paragraph (b) above, then this Agreement shall terminate without liability on the part of the non-defaulting Underwriters. Any termination of this Agreement pursuant to this Section 11 shall be without liability on the part of the Company, except that the Company will continue to be liable for the payment of expenses as set forth in Section 12 hereof and except that the provisions of Section 8 hereof shall not terminate and shall remain in effect.

(d) Nothing contained herein shall relieve a defaulting Underwriter of any liability it may have to the Company or any non-defaulting Underwriter for damages caused by its default.

12. Payment of Expenses.

(a) Whether or not the transactions contemplated by this Agreement are consummated or this Agreement is terminated, the Company will pay or cause to be paid all costs and expenses incident to the performance of its obligations hereunder, including without limitation, (i) the costs incident to the authorization, issuance, sale, preparation and delivery of the Securities and any stamp, issuance, transfer or other similar taxes payable in that connection; (ii) the costs incident to the preparation, printing and filing under the Securities Act of the Registration Statement, the Preliminary Prospectus, any Pricing Disclosure Package and the Prospectus (including all exhibits, amendments and supplements thereto) and the distribution thereof; (iii) the fees and expenses of the Company's counsel and independent accountants; (iv) the reasonable and documented fees and expenses incurred in connection with the registration or qualification of the Securities under the state or foreign securities or blue sky laws of such jurisdictions as the Representatives may designate with the prior approval of the Company (such approval not to be unreasonably withheld, conditioned or delayed) (including the related reasonable and documented fees and expenses of counsel for the Underwriters); (v) all filing fees and the reasonable fees and expenses incurred in connection with any filing with, and clearance of the offering by, FINRA (such fees and expenses pursuant to this clause (v) and clause (iv), in the aggregate, shall not exceed \$10,000); (vi) all expenses incurred by the Company in connection with any "road show" presentation to potential investors; (vii) the fees and expenses of the Trustee with respect to the Securities; and (viii) the fees and expenses incurred in connection with listing the Securities on the Nasdaq Global Select Market. It is, however, understood that except as provided in this Section 12 or in Section 8 of this Agreement, the Underwriters shall pay all of their own costs and expenses, including, without limitation, the fees and disbursements of their counsel, any advertising expenses connected with any offers they make and all travel, lodging and other expenses of the Underwriters incurred by them in connection with any road show.

(b) If (i) this Agreement is terminated pursuant to Section 10 (other than as a result of a termination pursuant to clauses (i), (iii) or (iv) of Section 10), (ii) the Company for any reason fails to tender the Securities for delivery to the Underwriters (other than as a result of a termination pursuant to Section 11 or clauses (i), (iii) or (iv) of Section 10 or the default by one or more of the Underwriters in its or their respective obligations hereunder) or (iii) the Underwriters decline to purchase the Securities for any reason permitted under this Agreement, the Company agrees to reimburse the Underwriters for all out-of-pocket costs and expenses (including the reasonable and documented fees and expenses of their counsel) reasonably incurred by the Underwriters in connection with this Agreement and the offering contemplated hereby.

13. Persons Entitled to Benefit of Agreement. This Agreement shall inure to the benefit of and be binding upon the parties hereto and their respective successors and the officers and directors and any controlling persons referred to in Section 8 hereof. Nothing in this Agreement is intended or shall be construed to give any other person any legal or equitable right, remedy or claim under or in respect of this Agreement or any provision contained herein. No purchaser of Securities from any Underwriter shall be deemed to be a successor merely by reason of such purchase.

14. Survival. The respective indemnities, rights of contribution, representations, warranties, and agreements of the Company and the Underwriters contained in this Agreement or made by or on behalf of the Company or the Underwriters pursuant to this Agreement or any certificate delivered pursuant hereto shall survive the delivery of and payment for the Securities and shall remain in full force and effect, regardless of any termination of this Agreement or any investigation made by or on behalf of the Company or the Underwriters.

15. Certain Defined Terms. For purposes of this Agreement, (a) except where otherwise expressly provided, the term “affiliate” has the meaning set forth in Rule 405 under the Securities Act; and (b) the term “business day” means any day other than a day on which banks are permitted or required to be closed in New York City.

16. Recognition of the U.S. Special Resolution Regimes.

(a) In the event that any Underwriter that is a Covered Entity becomes subject to a proceeding under a U.S. Special Resolution Regime, the transfer from such Underwriter of this Agreement, and any interest and obligation in or under this Agreement, will be effective to the same extent as the transfer would be effective under the U.S. Special Resolution Regime if this Agreement, and any such interest and obligation, were governed by the laws of the United States or a state of the United States.

(b) In the event that any Underwriter that is a Covered Entity or a BHC Act Affiliate of such Underwriter becomes subject to a proceeding under a U.S. Special Resolution Regime, Default Rights under this Agreement that may be exercised against such Underwriter are permitted to be exercised to no greater extent than such Default Rights could be exercised under the U.S. Special Resolution Regime if this Agreement were governed by the laws of the United States or a state of the United States.
