FORWARD LOOKING STATEMENTS | DISCLAIMER

Trinity Capital Inc. (the “Company”) cautions that this presentation may contain forward-looking statements that are based on current expectations and assumptions about future events, and which are not based in historical fact. The forward-looking statements in this presentation are based on current conditions as of the date of this presentation, and include, but are not limited to, statements regarding our financial objectives, beliefs, strategies, anticipated future operating results and cash flows, operating expenses, investment originations and performance, available capital, and payment of future dividends and stockholder returns. Although our management believes that the expectations reflected in any forward-looking statements are reasonable, actual results could differ materially from those expressed or implied in the forward-looking statements. By their nature, these forward-looking statements involve numerous assumptions, uncertainties and risks, both general and specific. The risk exists that these statements may not be fulfilled. We caution readers of this presentation not to place undue reliance on these forward-looking statements, as a number of factors could cause future Company results to differ materially from these statements. Forward-looking statements may be influenced in particular by factors such as fluctuations in interest rates and stock indices, the effects of competition in the areas in which we operate, and changes in economic, political and regulatory conditions. When relying on forward-looking statements to make decisions, investors should carefully consider the aforementioned factors as well as other uncertainties and events. Historical results discussed in this presentation are not indicative of future results.

The information disclosed in this presentation is made as of the date hereof and reflects Trinity Capital Inc.’s current assessment of its financial performance for the most recent period reported. Actual financial results filed with the Securities and Exchange Commission in the future may differ from those contained herein in the event of additional adjustments recorded prior to the filing of its financial statements. The information contained in this presentation should be viewed in conjunction with Trinity Capital Inc.’s most recently filed Quarterly Report on Form 10-Q, Annual Report on Form 10-K or Registration Statement on Form 424B1. We undertake no obligation to update the information contained herein to reflect subsequently occurring events or circumstances, except as required by applicable securities laws and regulations.

This presentation does not constitute a prospectus and should under no circumstances be understood as an offer to sell or the solicitation of an offer to buy our common stock or any other securities nor will there be any sale of the common stock or any other securities referred to in this presentation in any state or jurisdiction in which such offer, solicitation or sale would be unlawful prior to the registration or qualification under the securities laws of such state or jurisdiction. Nothing in these materials should be construed as a recommendation to invest in any securities that may be issued by Trinity Capital Inc. or as legal, accounting or tax advice.

There can be no assurance that this rating will remain for any given period-of-time.

THE TRINITY PLATFORM

In an evolving market, platform diversification further strengthens Trinity's position to capture market share and differentiates its financing solutions

Business Development Company ("BDC")

Trinity's foundation was built on its successful investment track record supporting growth-stage businesses through secured loans and equipment financings.

Registered Investment Advisor ("RIA")

Trinity is permitted to organize, acquire and wholly own a portfolio company that intends to operate as an investment adviser registered with the SEC.

This allows Trinity to raise funds off the balance sheet in a complementary way.

Joint Venture ("JV")

The JV invests in loans and equipment financings originated by Trinity, with an initial equity capital commitment of up to \$171 million.

The JV credit facility with KeyBank was closed in Q2 2023. The JV's total investment portfolio at fair value as of 6/30/2023 was \$100 million.
